

A vibrant garden scene featuring a sandy path lined with numerous potted plants, including hydrangeas, geraniums, and various grasses. A decorative bench with a blue and white floral pattern sits on the left, next to a white statue of a figure. The background shows a house with a red-tiled roof and dense greenery. The text 'HEAVEN'S Scent' is overlaid in the center, with 'HEAVEN'S' in a bold, white, sans-serif font and 'Scent' in a white, elegant script font. A small circular logo with the text 'scented garden' is visible near the top of the path.
